LEADERS OF THE TREE CARE INDUSTRY™

Distinctive Tree Care LLC

NOW HIRING!

Distinctive Tree Care of South Windsor, CT is one of New England's leading tree services, specializing in high volume roadside and urban tree removal. We are a medium, under 60 person family-owned company. We have some of the most modern and safe tree removal equipment in the world! Connecticut and other surrounding states are suffering from high tree mortality. This tree death caused by Emerald Ash Borer and Gypsy Moth, plus years of overgrowth, provides an abundant amount of work which needs to be done!

We are looking for full time, 45+ hours/week, experienced equipment operators. The equipment which needs operators include Senneborgs with grapple saws, Albach chippers, bucket trucks, log trucks, and excavators with grapples. We are looking for applicants that are looking to join a great team, earn top pay and benefits, and work in a safe environment. We are willing to pay relocation costs or provide a signing bonus for the right applicant. Serious applicants only. A minimum of 5 years experience cutting trees with mechanical equipment is mandatory. Applicants must be able to maintain and do basic repairs with the equipment also. Pre-employment skill testing will be required of all applicants. Distinctive Tree Care is a drug free workplace and equal opportunity employer.
