MONTANA TRACK CLAWS, Incorporated

Hundreds of Satisfied Customers Coast to Coast

Track Claws are reusable, quick connect traction devices that require no welding or cutting.

Their unique "V" design provides penetrating traction while minimizing side slippage for improved safety.

Track Claws can be installed in minutes using only a ratchet and socket. No pad bolts are used in the installation - they bolt through the clean out hole using a special bottom plate (included) and a zinc plated grade 8 bolt.

Durable and reusable, Track Claws are made of higher grade material than track pads. Then they are heat treated creating a durable product that can be reused many times.

Track Claws are available for all popular styles of track pads including single, double and triple grouser bar styles. For pads without cleanout holes, a template will be provided.

Log Truck Driver / Operator

Engineers Construction, Inc (ECI) in Williston, VT is seeking an
experienced log / grapple truck operator to support
railroad construction projects.

Duties will include driving, operating, and physical railroad
trackwork. Experience in railroad construction and maintenance
operations is ideal, but we are willing to train the right person.

Experience in bridge construction, sitework, heavy/ highway
projects, and logging is a plus.

A CDL Class B and a clean driving record are required.
CDL Class A is preferred.

Job is based in Williston, VT. Expect some out-of-town
projects requiring overnight stays
(lodging, per diem and shift differential provided).

Location: Williston, VT with possible travel throughout
Northern New England.

Rate of Pay: \$26-\$29 per hour.

Working Hours: 50-60 hours per week.

Overtime paid after 8 hours each day.

Benefits: Health & Dental Insurance available, 401k, Profit
Sharing, Vacation.

Call (802)598-3012

Apply online at engineersconstruction.com
or in person at 98 Engineers Drive Williston, VT 05495
ECI is an equal opportunity employer.

Pulpwood Chip Plant Operator Needed

Connecticut Mulch Distributors, Inc. is currently looking for an experienced operator to work with tree-length wood products at our chip plant. Located in Enfield, CT, sits an automated chipping facility that produces multiple loads of wood chips daily. This facility is entering it's ninth year of operation and we are looking for a "woods guy" that is looking to make a career working at our chip plant. Connecticut Mulch is a family run business that offers competitive pay, sick/vacation time, health insurance & a matching 401K plan.

Duties:

- Maintain a safe and amicable work environment
- Operate a John Deere wood grapple payloader to feed the mill
 - Operate Hood Log Loaders to load and unload trailers
- Load out chip trailers w/ both chips and bark using a Komatsu payloader
- Learn the daily maintenance of the chip plant and debarker system
- Operate a mobile chipping unit and maintain this piece of equipment
 - Maintain a well-organized wood yard and chipping facility

If interested please send your Resume to:
Brennan@ctmulch.com or call me @ (860) 999-4741
 to discuss this great opportunity.
 Please check us out at <http://connecticutmulch.com>
