## MONTANA TRACK CLAWS, Incorporated

**NEW  
PRE-SEASON  
INVENTORY  
Get Them While  
They Last!**

**Hundreds of  
Satisfied  
Customers  
Coast to Coast**

Track Claws are reusable, quick  
connect traction devices that  
require no welding or cutting.

Their unique "V" design provides penetrating traction while minimizing side  
slippage for improved safety.

Track Claws can be installed in minutes using only a ratchet and socket. No  
pad bolts are used in the installation - they bolt through the clean out hole using  
a special bottom plate (included) and a zinc plated grade 8 bolt.

Durable and reusable, Track Claws are made of higher grade material than  
track pads. Then they are heat treated  
creating a durable product that can be  
reused many times.

Track Claws are available for all popular  
styles of track pads including single,  
double and triple grouser bar styles. For  
pads without cleanout holes, a template  
will be provided.

### PROCUREMENT FORESTER

Pixelle Specialty Solutions is the largest specialty paper company in North America with operating facilities in Maryland, Ohio, Pennsylvania, West Virginia, and Wisconsin. Supported by an experienced product development team, Pixelle excels in designing customized solutions that help customers bring new products to market. With a long history of leadership in the paper industry, Pixelle delivers the most comprehensive portfolio of specialty papers to meet today's challenging demands. We are seeking an experienced Procurement Forester to join our team on the Eastern Shore of Maryland to procure stumpage and pulpwood for our Delmar, MD chipping facility.

Candidates should have a BS in Forestry with a few years of experience. Those with AS degrees, non-forestry but related degrees, and less experience will certainly be considered. Candidates with multiple years of experience, tired of long and hard winters are also encouraged to apply. Position will be responsible for stumpage acquisition and purchasing open-market pulpwood. Incumbent may also manage a portfolio of residual chip accounts contingent on experience level. Area of operation for this position is the entire Eastern Shore peninsula. Residency within 45 miles of the Delmar, MD facility preferred. Relocation package provided.

We offer competitive compensation and benefits including 401(k), Profit Sharing, Health, Dental, and company provided vehicle. Interested candidates can visit [www.pixelle.com](http://www.pixelle.com) and go to the Careers page for further details on the position and complete the application process online or send their resume to: [randy.shaffer@pixelle.com](mailto:randy.shaffer@pixelle.com) for consideration.
