**Central Maine Forest Products, Sidney, ME. The next generation coming up!**

## Are you looking to make money during mud season?

If you have a positive attitude, the ability to work well with others, class A CDL, the ability to pass all pre-employment testing and verifiable driving experience, the ability to complete all pre- and post-trip inspections and drive as part of a team operation, we can help you make money this mud season and beyond.

Spring trips are usually 3-4 days and originate from our Medway, MA, West Windsor, VT, or Mashpee, MA locations moving show horses back to the northeast.

Compensation is based on a daily rate up to \$500 per day depending on driving experience/ability and attitude as well as proficiency and experience working with horses. Horse experience is preferred, but not required provided you are willing to learn.

## MONTANA TRACK CLAWS, Incorporated

[www.montanatrackclaws.com](http://www.montanatrackclaws.com)

**Hundreds of Satisfied Customers Coast to Coast**

Track Claws are reusable, quick connect traction devices that require no welding or cutting.

Their unique "V" design provides penetrating traction while minimizing side slippage for improved safety.

Track Claws can be installed in minutes using only a ratchet and socket. No pad bolts are used in the installation - they bolt through the clean out hole using a special bottom plate (included) and a zinc plated grade 8 bolt.

Durable and reusable, Track Claws are made of higher grade material than track pads. Then they are heat treated creating a durable product that can be reused many times.

Track Claws are available for all popular styles of track pads including single, double and triple grouser bar styles. For pads without cleanout holes, a template will be provided.
