

LOGGERS' EXPO

VERMONT
MAY 1-2
2026

“If you listen more than you talk,
**GENERALLY YOU’LL
LEARN HOW TO MAKE
YOUR PRODUCT BETTER.”**

— Pat Weiler, CEO Weiler Forestry

**AS A SMALL AMERICAN MANUFACTURING
COMPANY, WEILER FORESTRY STAYS AHEAD
OF THE CURVE BY LISTENING TO THE PEOPLE
WHO MATTER MOST — THEIR CUSTOMERS.**

The Weiler team has traveled to countless sites to understand the challenges their customers face so they can engineer reliable machines that are better suited for the work ahead. With customer input, they have made their machines stronger, easier to maintain, and more fuel efficient.

- ◆ Feller Bunchers
- ◆ Track Harvesters
- ◆ Knuckleboom Loaders
- ◆ Skidders

Visit forestry.miltoncat.com
to learn more about
Weiler Forestry machines
from Milton CAT.

THURSDAY, APRIL 30

NELA Board of Directors Meeting 1 pm
NELA Annual Membership Meeting (follows Directors Meeting)
Concourse level meeting room

FRIDAY, MAY 1

Expo Opens 9 am

Seminar: Forestry Operations near High Voltage Power Lines. Electric Company Perspective

Champlain Valley Expo seminar room 9:15 am

Seminar: SLoCAMP Overview

Champlain Valley Expo seminar room 10:30 am

Relaxation Station opens 11 am

Live Music by Alan Lee Wilson 11 am-1 pm

Relaxation in outside area

Seminar: Hydraulics Basics: The Ins and Outs of Lubricants, Hydraulic Systems and Safety

Champlain Valley Expo seminar room 1 pm

Live Music by Matthew Dorko 2-4 pm

Located at Relaxation in outside area

Expo Closes 5 pm

Awards Banquet sponsored by Farm Credit East 5:30 pm

DoubleTree by Hilton Hotel, South Burlington

SATURDAY, MAY 2

Expo Opens 9 am

Relaxation Station opens 11 am

Live Music by Eric Peter 11 am-2 pm

Located at Relaxation in outside area

Expo Closes 4 pm

Various equipment demonstrations and the Weiler Forestry log loading competition will run during regular show hours. Check with the exhibitor running the demo or contest for times. Seminar meeting rooms are located in the Blue Ribbon Pavilion.

INFO@BEAVERWORKSLEASING.COM

WWW.BEAVERWORKSLEASING.COM

THE BEST \$/PRODUCTION SAWMILL AVAILABLE

Revolutionize your cutting experience with our state-of-the-art, **automated** solution: the 12" x 12" standard cut and 11" x 24" double cut machine. This cutting-edge tool is not just powerful; it's smart, bringing a new level of efficiency and reliability to every project.

Model: M12-28A

Electric power feed option available

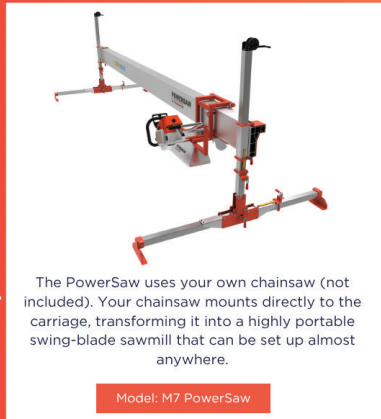

Introducing our powerful, lightweight and versatile cutting solution: the 8" x 8" standard cut, and 7" x 16" double cut machine. This high-performance tool is designed to meet your toughest cutting needs, providing efficiency and reliability in every job.

Model: M8-13M

OPTIONS:

- Planer Blade
- Slabber
- Beam Extensions
- Digital Sizing
- Portability Kit

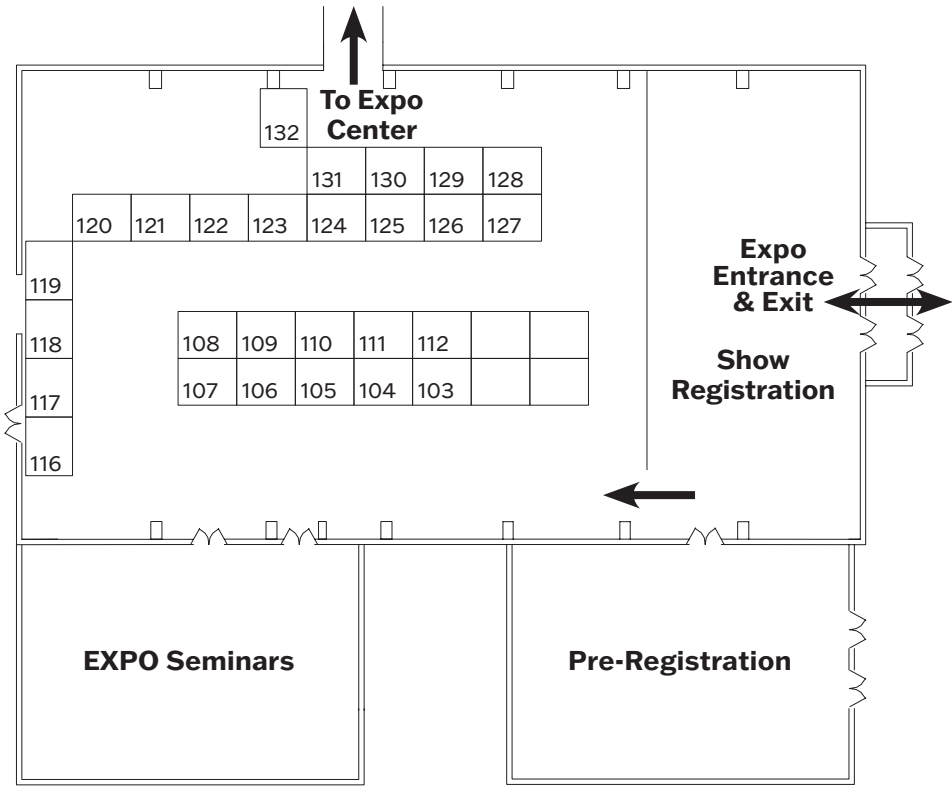

Eliminate the frustrations of a bandmill with our swing-blade sawmill that does it all

The PowerSaw uses your own chainsaw (not included). Your chainsaw mounts directly to the carriage, transforming it into a highly portable swing-blade sawmill that can be set up almost anywhere.

Model: M7 PowerSaw
