## TINY TIMBER TALES: The Two Oaks

*Step into the forest and discover NELA's very first kids coloring adventure!*

Follow the story of **two towering red oak neighbors**—growing side by side in a wild forest reborn from forgotten farmland. Strong, resilient, and full of character, these trees have lived through change, challenges, and time itself.

From their spreading branches to the secrets hidden in the woods around them, every page invites young artists to **color, imagine, and explore** the story of survival and growth.

- A tale of nature's strength
- A creative journey for curious minds
- A forest waiting to come alive with color

**Bring the story to life—  
one page at a time!**
